

# WHO ARE THE RISERS?

108 young social entrepreneurs taking part in RISE Journey #3

## GENDER BALANCE

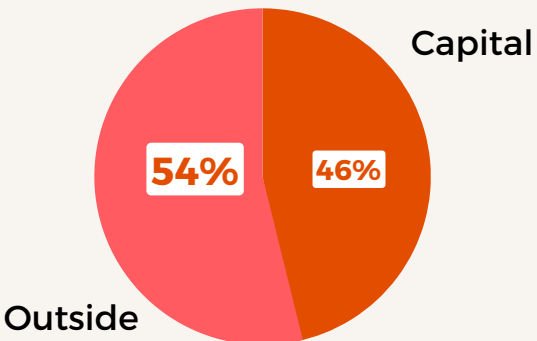

### Equality as a core

Local Incubators succeeded in attracting and engaging female entrepreneurs from the region. Gender equality and Women empowerment are at the heart of the RISE value system.

## GEOGRAPHICAL REPARTITION

### Opportunities are everywhere

RISE Journey is supporting youth that resides outside of capital cities. This is especially important considering centralization of the Balkan region.

## THEMATICS

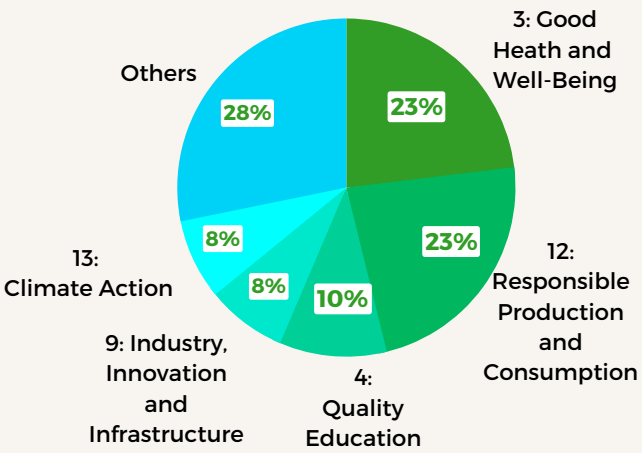

### A wide range of thematics

Although health care and the circular economy are the two most important topics of Risers, many other themes are addressed by the teams.

## SUSTAINABLE DEVELOPMENT GOALS

### Impactful initiatives

In line with the thematics, two SDGs stand out: number 3 and number 12. The Risers want to create a project that has a positive impact on their surroundings.
