

WHO ARE THE RISERS?

160 young social entrepreneurs taking part in RISE Journey #4

GENDER BALANCE

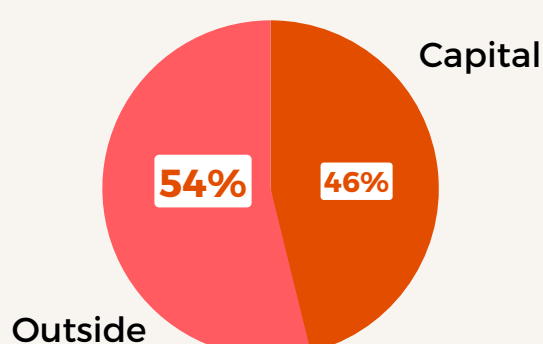

Elevating Women Entrepreneurs

Through collaboration with local incubators, RISE actively empowers female entrepreneurs, ensuring that our values of gender equity and inclusion are at the forefront of its mission.

GEOGRAPHICAL REPARTITION

Empowering Youth Beyond Capitals

RISE significantly impacts by supporting young entrepreneurs outside the capital, addressing challenges posed by Western Balkans' centralization.

THEMATICS

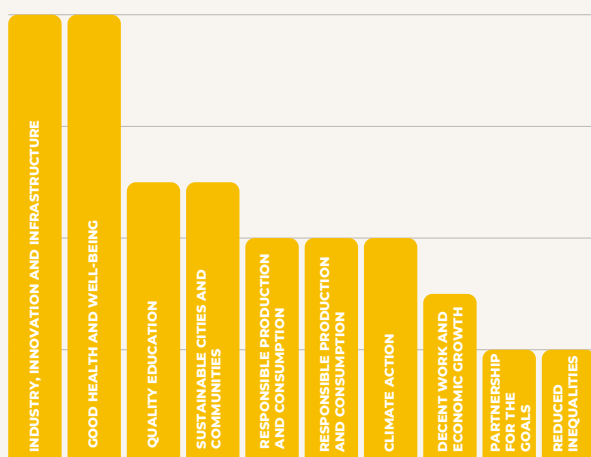

A wide range of thematics

Although health care and the circular economy are the two most important topics of Risers, many other themes are addressed by the teams.

SUSTAINABLE DEVELOPMENT GOALS

Impactful initiatives

In line with the thematics, two SDGs stand out: number 9 and number 3. The Risers want to create a project that has a positive impact on their surroundings.
