

KEY INSIGHTS:

RISE JOURNEY 5

RISE Local Incubators have selected 148 social entrepreneurs (RISErs) from across the Western Balkans to join the RISE Journey 5, the latest edition of the RISE support program.

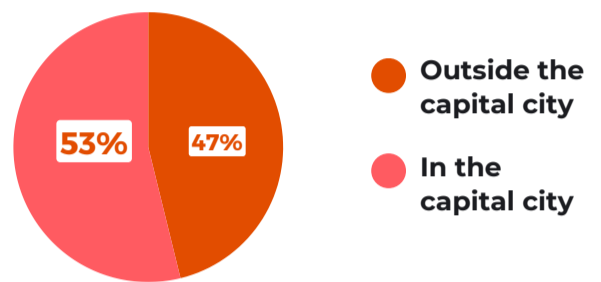

GENDER BALANCE

Through collaboration with local incubators, RISE actively empowers female entrepreneurs, ensuring that our values of gender equity and inclusion are at the forefront of its mission.

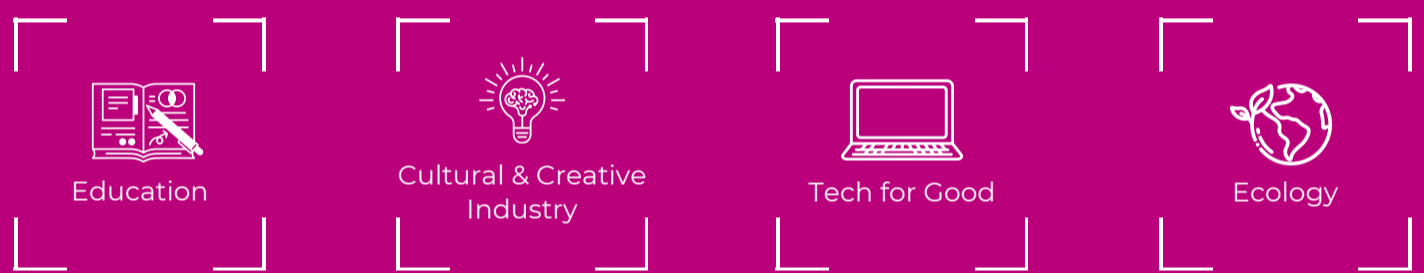

GEOGRAPHICAL REPARTITION

RISE significantly impacts by supporting young entrepreneurs outside the capital, addressing challenges posed by Western Balkans' centralization.

THEMATICS

RISErs are striving to make a difference in their communities through various fields, including education, culture and the creative industries, technology, and ecology.

SUSTAINABLE DEVELOPMENT GOALS

Aligned with the focus areas, three Sustainable Development Goals (SDGs) take center stage: Quality Education, Decent Work and Economic Growth, and Sustainable Cities and Communities.
